TITAN® ZX / TITAN MX

ZERO-TURN MOWERS

TITAN ZX SERIES

SAVE MORE TIME WITH EVERY ACRE

SAFETY COMES STANDARD
All TITAN models are equipped with ROPS and seat belts as standard safety equipment.

COMMERCIAL TRANSMISSIONS
The commercial-grade HG-ZT3100 hydrostatic transmissions combine consistent performance with easy maintenance.

SCAN TO LEARN MORE ABOUT THE TORO TITAN

GENTLE ON TURF

Large, 22" diameter rear tires provide ample traction and a smooth ride on rough terrain without tearing up your lawn.

ULTRA-TOUGH DECK

The heavy-duty, floating, fully welded steel deck has a bull-nose front bumper for added durability.

ROCK-SOLID FRAME

The tough 1.5" x 3" fully tubular frame has seamless sides and no welded joints for extra strength. It's backed by a lifetime guarantee.

PROFESSIONAL-GRADE DNA, USER-FRIENDLY DESIGN

The more property you have, the more mower you need. That's where the TITAN delivers. This heavy-duty series is packed with commercial-grade features for pure mowing muscle. But it's also designed with property owners in mind, so it's user-friendly, smooth and comfortable.

ADDITIONAL FEATURES:

- **EASY CLEANING AND MAINTENANCE** with a flip-up floor pan
- **NO GREASING** with automotive-style sealed bearings on deck blade spindles
- **QUICK DECK REMOVAL** in under two minutes without tools
- **SIMPLE DECK WASHOUT** with dual ports that create a pressure washer beneath the deck

"I really enjoy mowing with my TITAN. Now I mow 3.5 acres in half the time. It cuts even, rides smooth and cleans up great every time..."

★★★★★ Davitt via Toro.com | Greenfield, MN

3 YEAR 300 HOUR LIMITED WARRANTY

TITAN MX SERIES

THE BEST CHOICE FOR THE BIGGEST PROPERTIES

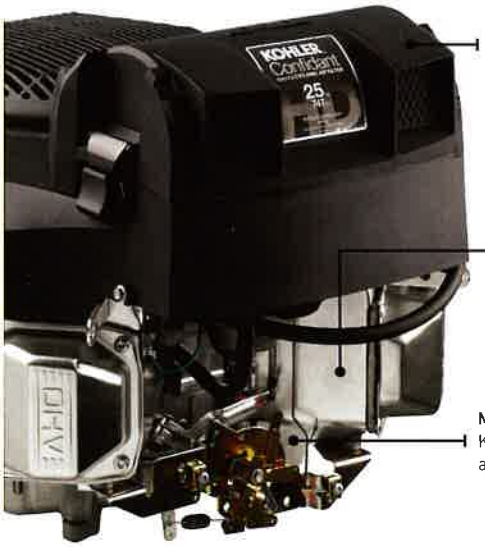
When it comes to demanding conditions, there's tough ... and then there's TITAN MX. Take performance, durability and comfort to a whole new level with upgrades like wider front tires, more comfortable steering levers and a top-of-the-line suspension seat. It's the ultimate combination for the largest properties.

"This thing will cut wet grass faster than my old mower cut dry grass. I can cut full speed even while taking an aggressive cut..."

★★★★★ Labatt50 via Toro.com
Cayuga, ON, Canada

COMMERCIAL ENGINES

Accross the line, TITAN mowers are powered by Kohler® Confidant commercial engines to handle your rugged demands.



HEAVY-DUTY CANISTER-STYLE AIR CLEANERS are standard for high performance and extended life.

HEAVY-DUTY CONSTRUCTION Cast iron cylinder liners, oversized micro-polished crankshaft bearings, and full pressure lubrication

MODULATED COOLING FAN Keeps the engine cooler and quieter.

UNMATCHED COMFORT

Deluxe, thickly padded seat is mounted on a floating adjustable suspension system for ultimate comfort.

EASY ACCESS

Belt covers can be removed without tools for easy cleaning of excess grass build-up.

4 YEAR 400 HOUR LIMITED WARRANTY

GUARANTEED FOR LIFE PRODUCT FRAME LIMITED WARRANTY

See your dealer for full details on warranties.

MAXIMUM PERFORMANCE AND COMFORT

COMFORTABLE STEERING
The TITAN MX features dual oversized Comfort Control grip levers with Pro-Control dampers that help reduce hand fatigue over longer periods of mowing.

INCREASED FLOTATION
Wider 13" x 6.5" front tires reduce compaction, wear and tear on your turf while providing a comfortable ride.

GET THE MOST FROM YOUR TITAN MOWER

TWIN BAGGER KIT
Top-discharge deck opening allows excellent bagging performance to clean up grass clippings, leaves and debris.

Finishing Kit required.

E-Z VAC POWERED TWIN BAGGER KIT
Extra vacuum power lets you bag wet grass/leaves. Reduces clogging and maximizes bag fill.

Requires a Blower & Drive Kit

CARGO CARRIER
Easy-to-store carrier attaches to the rear of a TITAN mower to haul tools, soil, mulch and other yard items with no "jackknifing."

Weight Kit required.

ROPS FOLDING PIN KIT
Kit allows ROPS to fold easily for storage.

Part #130-6850

SUSPENSION SEAT KIT
Improves operator comfort and reduces operator fatigue when mowing for long periods.

Part #130-0788

PREMIUM TORO ENGINE OIL

Full Synthetic 10W30 / SAE30
Part #117-0066 - Quart

Standard SAE30
Part #38903 - Quart

RECYCLER® MULCH KIT
Patented system directs clippings back into the blades and turns them into a fine, nutrient-rich mulch.

Part #119-3320 – 48"
Part #117-5313 – 54"
Part #119-3455 – 60"

STRIPING KIT
Easily attaches to the cutting deck to give your lawn a professional striped look.

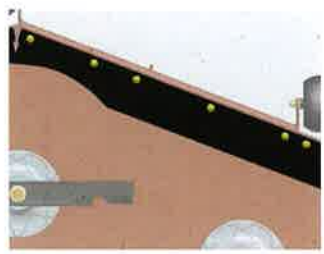
Part #119-3380 – 48"
Part #117-5319 – 54 & 60"

LIGHT KIT
Three lights easily mount to the mower frame and wiring quickly connects to the existing accessory circuit.

Part #117-5317

DELUXE Z COVER
Heavy-duty waterproof cover is abrasion- and tear-resistant. Vented design helps reduce heat and moisture buildup.

Part #490-7319



LEAF BAGGING ENHANCEMENT KIT
Decreases leaf blowout on the deck when bagging leaves and increases bagging performance. Twin bagging attachment needed.

Twin bagging attachment required.
Part #119-3381 – 48"
Part #117-7202 – 54" & 60"

HYPR-OIL™ 500
This specially formulated high-performance hydro oil offers greater thermal stability, shear resistance and wear protection.

Part #114-4713 – Quart
Part #114-4714 – Gallon
Part #114-4715 – 5 Gallon

PREMIUM FUEL TREATMENT

Protects the engine from gum, varnish, rust and corrosion. Also keeps fuel fresh and eliminates the need to drain the fuel before storage.

Part #117-0089 – 4 oz. bottle
Part #117-0090 – 16 oz. bottle

BRINLY-HARDY ATTACHMENTS

Standard hitch pulls a variety of premium Brinly-Hardy® attachments, such as a 10 cu. ft. cart, lawn sweeper, dethatcher, aerator and sprayer.

MVP PACKS

MVP Packs contain parts essential for optimum performance. Blades, belts and filters are included.

Part #127-1628 – 48"
Part #127-1629 – 54"
Part #127-1630 – 60"

SEAT COVERS

Makes old seats look new and protects new seats. Cushioned cover is water-resistant and has an elastic cord for a custom fit.

Part #117-0096 – 18" seat without armrests
Part #117-0097 – 18" seat with armrests

» = Enhanced or step-up feature

1 The gross torque of these engines was laboratory rated by the engine manufacturer in accordance with SAE J1940. As configured to meet safety, emission and operating requirements, the actual engine torque on these mowers will be significantly lower.

2 Maxiumum ground speed will vary with ground conditions, tire pressure, transmission settings and engine settings.

3 See dealer for warranty details.
